Footwear Development Details

1. Shoe Last Development

- **Option:**
 - Develop on Marswalk's existing last
 - Request new shoe last development
- **Cost:**
 - ₹2000 for normal wear (plus taxes)
 - ₹2500 for ankle boot (plus taxes)
 - ₹3000 for high ankle boot (plus taxes)
- **Time:** Approximately 1 week for development
- **Sample Viewing:**
 - Pictures
 - Physical Sample (additional time required)
- **Note:** Physical samples may delay the process as the last is required for shoe design.

2. Branding Options (Optional)

- **Branding Items Available:**
 - Box (Minimum 3000 units)
 - Butter paper (Minimum 5000 units)
 - Shoe shinier, shoe horn, rubber tag, iron tag, steel tag, engraved eyelets (Minimum 5000 units)
- **Custom Branding on Leather:**
 - Golden foil, silver foil printing, and other prints
- **Costs:** Defined as per work
- **Note:** Die charges applicable after every 2000 pairs.

3. Design and Sample Development

- **Design:**
 - Development of a 2D pattern
 - Sample creation based on physical sample or photograph
- **Sample Development Cost:**
 - ₹3000 for synthetic/mesh upper with air mix/PU/TPR sole (plus taxes)
 - ₹3500 for leather sample with air mix/PU/TPR sole (plus taxes)
 - Additional ₹500 for ankle boot (plus taxes)
 - Additional ₹500 for high boot (plus taxes)
- **Time:** Approximately 1 week (may extend to 15 days if the work is more intricate)
- **Note:** Development needs time; we aim to provide samples as soon as possible.

4. Sample Shipment and Amendments

- **Shipping Costs:** To be borne by the buyer and paid before dispatch.
- **Amendments:**
 - Can be informed verbally or through an Excel sheet.
 - Technical feasibility will be assessed, and you will be informed if changes are not possible.
- **Price Quotation:** Provided after sample approval, excluding branding material and additional costs.

5. Order Placement

- **Minimum Quantity:** 300 pairs for the first order.
- **Lot Size:**
 - Minimum 16 pairs in one colour
 - Minimum 2 colours totalling 32 pairs
- **Size Set:**
 - Initial size set mandatory (sizes 6/2, 7/4, 8/4, 9/4, 10/2 totalling 16 pairs)
- **Price Increase:** Applies to sizes above 10 UK.
- **Note:** No changes accepted after order placement; ensure accuracy before finalising.

6. Production Timeline and Payment

- **Production Time:** 15-25 days after order placement and payment.
- **Payment:** Full amount for 300 pairs, including product, branding, and transportation costs, to be paid at order placement.
- **Packaging:** Branded or plain box mandatory (cost exclusive).

7. Repeat Orders

- **Minimum Quantity:** 300 pairs total.
 - 16 pairs per color
 - 32 pairs per design
- **Sole Quantity:** Minimum quota per design (e.g., 300 pairs of each sole design if different).

8. Raw Material Storage

- **Free Storage:** Available for 3 months after the last order.
- **Post 3 Months:** Disposal or transportation at buyer's expense.
- **Additional Storage:** ₹12 + taxes per item per month if extended storage is requested.

9. Product Warranty and Testing

- **No Warranty:** On raw material.
- **Warranty:** On sole pasting for leather products.
- **Laboratory Test:** Available at additional cost (₹2000 processing fee).

10. Advertising and Digital Marketing (Optional)

- **Services Available:** Photoshoot and digital marketing.
- **Costs:** Vary according to the quality of service requested.
